

PRESS NOTE

The students' organizations opposing the recent nominal hike in the various students funds in the government colleges does not seem to be logical as there has been no change in the tuition fee and most of other funds. This nominal hike in the funds was also agreed upon in the Principals' Conference held on 29-04-2010. All the Principals unanimously decided to increase specified funds to meet the rise in the students' refreshment, daily allowance, prices of various sports goods etc. Moreover, the H.P. Government mandate is to provide better facilities to the students in the institutions including Computer, Internet, Library, Recreational and similar other facilities. A few funds have been rounded off. This hike is introduced after 11 years and during this period the Consumer Price Index has touched new heights.
